# PROFILE

---

Arkit is committed to maintaining the highest levels of professionalism, integrity, honesty and fairness in the relationships with our suppliers, subcontractors, professional associates and clients. We specialize in complex, prestigious construction and infrastructure projects. Ongoing relationships with our clients played a memorable role in providing outstanding construction contracting services to companies in Qatar. The company started a strategic business unit in trading; since then it expanded its operation into diversification business activities to ensure long-term growth to our partners. This business diversification has enabled the company to withstand business recessions and has made the company stronger to look for more opportunities in other emerging markets. Arkit has executed many prestigious projects in Qatar with our ongoing development. We are looking forward to the future with all kinds of challenges and opportunities.

## Building Excellence

---

We strive for excellence in quality and continuously endorsing advanced technologies. The key to our business success and enduring client relationships is all about caring for our Employees. Arkit Contracting, in a short time, proved itself as a leading company in the construction field. The secret at that refers to our commitment to high-quality performance in addition to the time commitment.

## MISSION

---

Arkit Contracting successfully delivers projects in A safe, Efficient, and Economical Manner. Our mission Is to exceed your expectations before, during, and after construction. To maintain a highly selective risk management process for every new project and venture.

## VISION

---

Inspired by the vision of **Mr. Irshad Khan (Managing Director)** and **Mr. Tariq Rafique (General Manager)**, ARKIT Contracting's motto is to Be, and be recognized as, the best service provider with cost-effective products and solutions with particular emphasis on quality, safety, and environmental stewardship.

## Director's Desk

We believe that exceptional skill and experience are the keys to top-quality construction. Not only do we have a past that we can be proud of, but we hold dear to our hearts the future hopes and aspirations of the professionals who guide this company. Without a doubt, we have the people and the resources to lead this company to a bright future.
